Use EftsureID to verify bank details before you pay

What is EftsureID?

A product of Eftsure Pty Ltd, EftsureID is an invoice authentication tool that verifies that the bank details on the invoice belong to the right business, are accurate and haven't been changed by fraudsters.

Before paying the invoice, we recommend checking the unique EftsureID that can be found on the invoice to verify the bank information.

EftsureID is free to use, and you can access it from the comfort of your desktop or mobile app. You can quickly verify that all bank account details, BSB, ABN, and business name on the invoice matches and whether it is safe to pay the invoice.
